Roles and Tasks

You will be required to:

- Ensure there are adequate drinks allocated to drink stations and continually refill drinks when necessary. This includes sports drink and cola drink as required.
- Hand out drinks to participants in a safe and professional manner to minimize disruption to their race – this includes use of hygienic gloves
- Ensure area around drink station is free of used cups and bottles.
- Collect up all used cups and bottles in bags provided for disposal..
- Pack unused drinks back into cartons and pack up the drink station at the end of the event station.
