Roles and Tasks

You will be required to:

- Ensure that participants report at the swim start and they are in the right wave. Triathletes are checked into a holding pen prior to race where they have to cross the timing mats.
- Assist in timing band check to ensure correct wave start
- Assist officials in managing the start line and ensure that participants start the race only after the starter horn.
- At the end of the swim, we have volunteers who direct the participants in the appropriate direction. Volunteers are asked to also keep spectators out of the way during the race.
- Direct participants to the transition area after the swim.
